Sorting Guide

Categories

- Paper (patterned, solid, scraps)
- Stickers (sheets, books, loose)
- Washi Tape
- Embellishments (die cuts, ephemera, chipboard)
- Tools (punches, trimmers, adhesives)
- Photos
- Seasonal / Holiday Items
- Projects in Progress

Sorting Steps

1. **Gather:** Bring everything to one space.
2. **Group:** Sort by category or theme.
3. **Purge:** Remove duplicates, damaged items, or things you won't use.
4. **Store:** Place items in bins, folders, or drawers.
5. **Label:** Use clear labels so you can find things quickly.
6. **Maintain:** Do a quick tidy after each project.

Tips & Tricks

- Keep a "Use First" bin for items you want to finish.
- Store by theme (holidays, seasons, kids, travel) or by color.
- Keep duplicates together so you don't rebuy.
- Rotate seasonal items to the front when needed.

- Use clear containers so you can see what's inside.
